## TO CLAYTON E. CAMPBELL

**In appreciation of his years of devotion and service as superintendent of the Bourne schools and of his personal concern for the development and welfare of the students, we the Class of 1971 dedicate our yearbook to Mr. Campbell.**

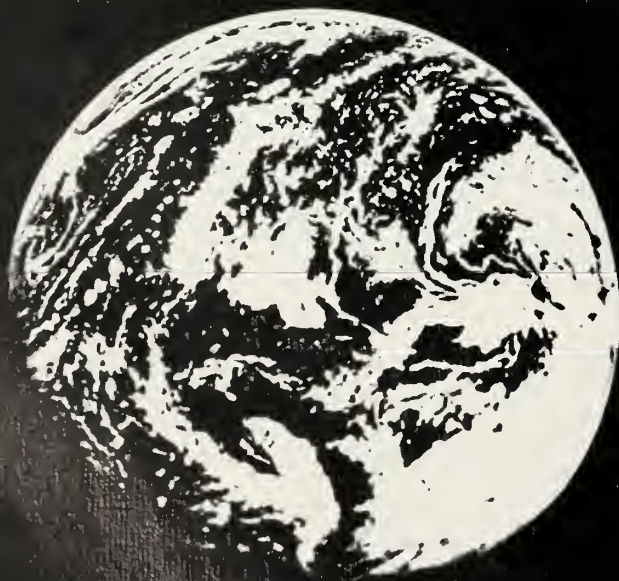

# **Our changing world . . .**

**Our world is constantly changing, growing, expanding. You can see the changes that have taken place simply by reviewing our history. We as a people have moved from caves to tents to log cabins to houses to apartment houses built of concrete and steel. Leaders have come and gone on this earth, always leaving their mark. We have had military leaders, leaders in the diplomatic field, philosophers, scientists, and rulers all of whom have caused us to review our thinking and to formulate new ideas of how to survive as a free world where each individual has his own worth.**

**While the large world around us has been changing our own little world has not remained constant. For the seniors their world up until now has been their high school. This has not remained constant. New faces have replaced old and familiar faces both in the ranks of the students and those of the faculty. Our thinking has changed in four years as more and more new ideas have been accepted and are being tested. This book is an attempt to chronicle some of these changes — the events that have taken place over the last year 1970-1971.**

# Queen Julie Fitzgerald Graces Homecoming

Beautiful People

Homecoming '70, held on November 11, was highlighted by the election of the court: Seniors Sharon Long, Julie Fitzgerald (Queen) and Paula Cormier, Juniors Sue Wright and Karen Brown, Sophomores Connie Coffee and Pam Clark. The Code Club did a fine job of decorating, complete with fountain, candles and cranberry branches. Despite the generous contributions found in the fountain, the club still lost money on the effort and the tradition may be discontinued.

"I'm glad that's over!"

Pre-game inspection

The only bright spot for the Canalmen this year was the Junior Varsity team. They opened against Barnstable with a tie, 12-12, and won their first game the following Monday against Falmouth. On a rain soaked day they tied Fairhaven, 0-0, to make their record 1 win, 0 losses, and 2 ties. They came back the following two Mondays to win their second and third games. They closed their season against Wareham hoping to be undefeated. The J.V.'s tried but could put nothing together as they lost to Wareham 6 to 20. They ended the season with 3 wins, 1 loss, and 2 ties.

Maybe with the help of the members of this team Bourne will again have a winning season.

The Freshmen, under Ed McCarthy, had a disappointing 1-4-1 season. Never giving up hope, however, the Freshmen fought gamely with Mike Roberts, Rusty Burns, Danny Sweeney, Jim Burgess and Eddie Gendren playing exceptionally well.

After dropping their first two games the team battled Fairhaven to a 0-0 tie and the following Friday completely overwhelmed the Dennis-Yarmouth Freshmen 44-6. Even though their overall record for the season was not good, these Freshmen showed a lot of determination and a willingness to put in a lot of hard work. Perhaps with a little more experience they could be a good addition to the Bourne team.

Tom Cook grabbing a high one.

# Bourne Beats Falmouth ... Almost

Bourne Hockey 1970-71 — a year and a season that will be remembered in the record book as a losing one. Yes, the record book, the great historian of the athletic competition at Bourne will show the Canalmen defeating only D-Y and battling to a 2-2 tie with the same D-Y team. But that's all the record book will show and that's a shame.

What the record book will fail to outline are the numerous pieces of information, none offered as excuses, but rather as facts, which must be presented if there is to be a fair and honest evaluation of the season as a whole.

The record book will not show, for instance, the degree of difficulty of the schedule in the Capeway Conference or the basically young Bourne Team, or the two very close games with the league champion Falmouth, that were won by Falmouth during the last periods.

Neither will the record book show the fact that Bourne didn't play one home game, because there is no rink in Bourne.

Yet, despite all this, there were individual honors taken by members of the Bourne team. Senior Brad White, Freshman Chris Shuck, and Freshman Dan Sweeney were all in the top ten in scoring in the Capeway Conference. Picked, from Bourne, for the Capeway All-Stars was Senior Captain Jim Sweeney.

Varsity Hockey: **1st row:** Billy Parady, Glen Taylor, John Heseck, Nobi Aflague, Chris Schuck, Dan Sweeney, Bob Smith. **2nd row:** Jack Burns, Kevin Govoni, Walter Lane, Jim Sweeney, Sajio Balegne, Allen Parady. **3rd row:** Mr. Allen, Shawn Narolich, Brian Handy, Peter Marshall, Ken Fraher, Bernard Burns, Brad White, Mr. McCarthy.

# Winning Canalmen Stumble at Boston Garden

## Boys Varsity Basketball

The boys varsity basketball team started the season with a lopsided win over Sandwich, 90-68 and went on to win five non-conference games with no losses. The first conference game was against Falmouth, home, and the Canalmen responded to the terrific pressure by winning by one point, 67-66. Steve Gendron won the "Player of the Week" award, from the Standard Times, for his play during the game. After this first Capeway win in almost two years, the Canalmen went on to beat D-Y and Wareham.

The team, with a record of nine wins and no losses, went to the Boston Garden to play Barnstable (9-0) on March 21. Bourne's game faltered as the Red Raiders stunned them, 84-44. During the remainder of the season Bourne was unable to get back the momentum they had lost that Friday night. The games were close, yet the Canalmen remained on the low side of the score board. The quickness and potential of the team showed again only once, as they defeated D-Y for the second time, 69-59.

## TRACK TEAM

This years track season turned out to be, in more ways than one, pretty good, even though the team suffered losses towards the end of the season. Our squad won their first three track meets and this boosted the team morale for a winning season, because as you recall last season, the team lost every meet they ran in.

This year the team was larger and this enabled our coach, Mr. Cardoza to place each individual in a particular event that he felt would make us a stronger contender against the other teams. The captains elected to represent the team, Dan Hawkins, Preston Smith, and Artelle Peters, turned out to be good choices giving the team good strong leadership, while always staying in contention.

Preston "Scooter" Smith, who started off with sore legs, came back and broke the school's record of a 220 yd. dash. Preston's 22.8 beat the old record of 23.0 by 2 tenths of a second. In the Boston state finals at White Stadium, he broke it for a second time with a 22.2.

The season officially ended after the Boston state finals. Five members of the team participated in this event. Artelle Peters, Dan Hawkins, Russ Jones, Scooter, and Paul Palo.

"Um . . . that blond was nice."

## VARSITY BASEBALL

This year's Varsity baseball team, like all the rest of Bourne's athletic teams, was picked by the local newspapers to finish near the cellar with an atrocious record.

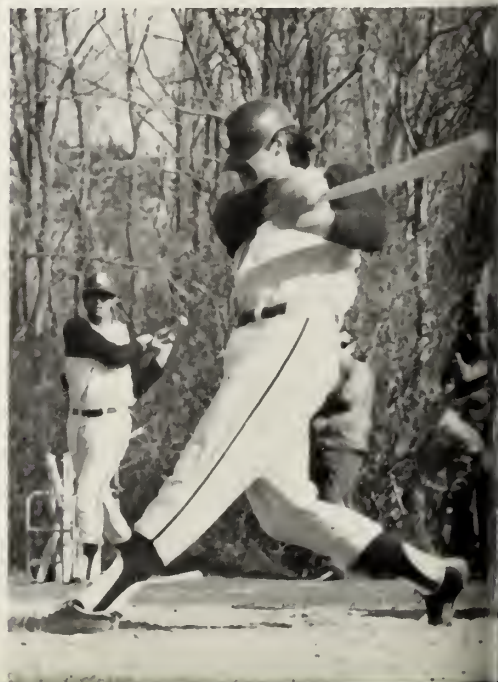

They beat Chatham 5 to 4 and then dropped games to both Wareham and Barnstable. Their record, 1-2, proved everyone's idea that Bourne was a cellar club. They split the next two games, still being unimpressive. At this point, the club began playing ball and rattled off wins over Fairhaven, D-Y, Wareham, Dartmouth and Barnstable.

The "cellar" club was battling at the top of the pack. The team began losing, dropping the last 5 games, making their final record 6-8.

True, a lot can be improved upon, but the Canalmen showed the league and the fans that they will be heard from in the coming years.

## J.V. Baseball

This year's J.V. team did not post an impressive record, though they did make it clear that they will be ready to fill the ranks of the graduating seniors, and help improve the future baseball teams of Bourne. The team was very impressive in their first victory beating Chatham 11 to 2. They lost to Barnstable then beat Falmouth 7 to 6 in a hard fought contest. They could not sustain another victory until they beat Wareham 5 to 4. They came right back and beat Tabor Academy 6 to 2, before ending the season with a loss to Dartmouth.

### Girl's Varsity Basketball

It was a team that almost made it, a team that almost upset the undefeated team, and it was a team that almost captured the Capeway Conference Championship for the third straight year. But, there was something missing, something that just wasn't there, something very slight that separated this team from the laurels of the past years. Nevertheless, it was a good season that seemed mediocre, only perhaps because it wasn't a great season. It's so easy to take a winner for granted, to forget how good it was, until...

It was a season that left Bourne in a second place tie in the Cape-way Conference, a season that left an overall record of thirteen wins and six losses, and it was a season that, for some, just left.

It was the type of season that most coaches would call a building year, except this team lost five starting Seniors (Judy Cox,

Sharon Long, Deb McCulloch, Patty O'Reilly, Joanne McKenzie).

It was a coach that practiced with the team, laughed with the team, cried with the team, but always rooted for the team. It was a coach some will dislike, some will love, but none will forget; Mr. Costa!

It was a season made up of individual games each seeming to be the beginning or the end of the universe until that game was over, and another of greater importance took its place. Throughout the long winter schedule the aging season, unaware of the great crescendos of desire and pressure within, coolly unfolded its secret destinies. It was a year, as are all years, born of triumphs and defeats, lived on singing and sometimes solemn bus rides, buried in friendships and remembered in unquenched aspirations and thoughts of "next year"!

Now girls, I'll see to it that you all have dates **after** the game.

# Freshmen Dominate J.V. Team

Please have mercy!!!!

Catch me if you can!!

## JV Girl's Basketball

For the freshman dominated JV team it was a year of orientation. It was the kind of season after which one would sit back and say, "So that's what it's like to play high school basketball". It was a season of some ludicrous blunders, some easy wins, and some disheartening almost-wins. For the JV's it was a year of big mistakes, long practices, and constant learning. Next year will see just how much they have learned.

## Softball

A season cannot be totally summed up by listing the scores in a win-loss column. Scores mean more to the spectator, words more to the team. Here we will attempt to satisfy both.

... Till 5 p.m. practice ... "tape it" ... whirlpool dynasty ... "Heat" ... rain ... ground crew #2 and pitch-

ing mound, no home plate ... Early season injuries ... the POLICY and why ... the first aid kit being gently lofted into the air by a mysterious force ... ambulance rides ... roses ... spectators ... ice packs ... the Wizard of Oz revisited ... Kathy's cake ... a pant suit and Paul Rive's Bowl ... and Tomorrow, bringing a new Season.

Going to High school for the first time was a lot easier than we thought it would be. People told us that we would get lost the first time we walked in. Well, to tell the truth we did get confused going to our first classes, but after that it was quite easy to find our way. The classes were easy but it depended on the teachers and the amount of time we put into each class. Being a freshman offered a lot of experiences, such as pep rallies and assemblies. Note: The Freshmen Class made themselves heard at our Pep rallies — but they had the most numbers.

Freshmen experience learning from others.

# Class of 1973

**Sophomore Class Officers**

Terry Songers, Secretary; Bobby Reid, President, Richard Butler, Vice-President; Linda Cahir, Treasurer.

As sophomores we climbed one more step up but we were still considered Underclassmen. As sophomores we voted for our class officer and student council representatives as well as girls for the Homecoming queen's court. We were proud to have fellow classmates on the varsity teams of football, basketball, baseball and hockey.

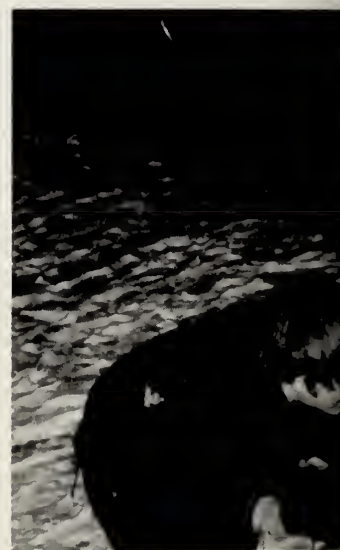

This year it was decided to have a new design for the '73 class rings, which we ordered this fall. Also for the first time the Sophomore Class was able to go to Class Day.

Our sophomore year proved interesting and fulfilling and as the doors open to next year we will at last be considered upperclassmen!

Here we are Juniors! Upperclassmen at last! Now we are the ones everyone looks up to — except the seniors.

First thing this fall we got our class rings. You can always tell who's a Junior because they are always looking at their class rings.

The highlight of spring was of course our Junior Prom, which was called Scarborough Fair. Sue Wright was crowned queen of this glorious affair which was held at the Hyannis Holiday Inn.

After graduation and the Seniors left we were top. And now we are looking forward to our Senior year.

# **"Scarborough Fair" Holiday Inn Takes On Aspect of**

Simon and Garfunkel's song "Scarborough Fair" furnished the theme and Holiday Inn provided the atmosphere as the prom committee, under the leadership of Mary Lynn Sherlock, presented Junior Prom '71. The class voted Susan Wright to reign over the major social event of the year. A colorful gazebo was the setting for the crowning and the presentation of the court . . . Beth Walters, Jeanie Christopulos, Karen Brown, Mary Lynn Sherlock, and Mary Beth McGreevy.

## School's First Musical— "My Fair Lady"

### SENIOR CLASS PLAY

Under the able direction of Mrs. Bernadette Brooks, the class of '71 produced the first musical in the school's history, "My Fair Lady." After two months of practice, hard work, and frustration, stars Gretchen Cease, Bob Mosher, and David Putt filled the air with music and laughter. The talented chorus girls provided background singing and a Can-Can that will never be forgotten.

The class of '71 would like to express their thanks to the many people who made this production possible. We especially want to thank Mr. John Sanders and Mrs. Bernadette Brooks for their patience and expert guidance.

## CLASS ODE 1971

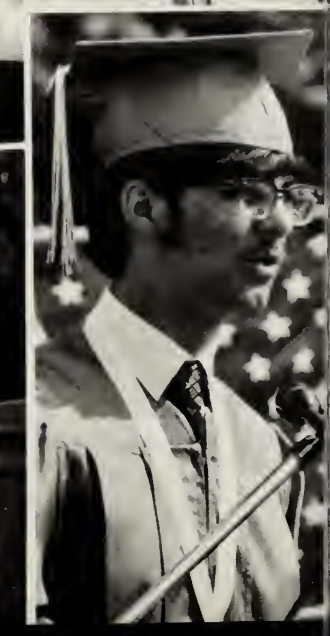

The world is given to us  
It is formed, established — unsure  
It is our duty to make it sure  
To prove ourselves  
We can do it!

The world is given to us  
It is bigoted, warring — divided  
We will make it one  
Against all opposition  
We can do it!

The world was given to us  
It was dirty, plagued — tired  
It needed to be made proud  
Proud of its people and their accomplishments  
We are making it proud!

The world will be ours  
It will be free, open — loving  
The people will know one another  
They will know themselves  
We shall do it!

Bonnie Ziegler

## Alma Mater

From elm trees tall, soft shadows fall,  
And speak to us of Bourne High.  
Loud voices raise, in songs of praise,  
For our dear old Bourne High.  
Remember all the friendships made,  
And memories that ne'er fade.  
Through your ideals, we'll reach our goal;  
Bourne High, dear Bourne High.

And when from your loved doors we go,  
We'll go with pride because we know  
Within your walls, the lessons gained,  
Will help us all, our goals attain.  
When we return, in later years;  
From far and wide we'll gather here,  
And sing of praise for all to hear;  
Bourne High, dear Bourne High.

—Helen Murray '43
